**RULES OF GOLF - MATCHPLAY
As approved by R&A Rules Limited**

1. GENERAL -- Rule 3-1a

In match play, a player and an opponent compete against each other based on holes won, lost or tied.

Except as otherwise provided in the *Rules*, a hole is won by the *side* that *holes* its ball in the fewer *strokes*. In a handicap match the lower net score wins the hole. The state of the match is expressed by the terms: so many “holes up” or “all square”, and so many “to play”. A *side* is “dormie” when it is as many holes up as there are holes remaining to be played.

2. WINING A HOLE – Rule 3.2a (1)

A player wins a hole when:

- The player completes the hole in fewer strokes (including strokes made and penalty strokes) than the opponent,
- The opponent concedes the hole, or
- The opponent gets the general penalty (loss of hole).

3. TYING A HOLE (ALSO KNOWN AS “HALVED HOLE”) -- Rule 3.2a(2)

A hole is tied when:

- The player and opponent complete the hole in the same number of strokes (including strokes made and penalty strokes), or
- The player and opponent agree to treat the hole as tied (but this is allowed only after at least one of the players has made a stroke to begin the hole)

4. WINNING A MATCH -- Rule 3.2a (3)

A player wins a match when:

- The player leads the opponent by more holes than remain to be played
- The opponent concedes the match, or
- The opponent is disqualified.

If there is a tie, the *Committee* may extend the *stipulated round* by as many holes as are required for a match to be won.

5. EXTENDING A TIED MATCH -- Rule 3.2a (4)

If a match is tied after the final hole:

- The match is extended one hole at a time until there is a winner.

The *Committee* may extend the *stipulated round* by as many holes as are required for a match to be won.

6. CONCESSION OF MATCH, HOLE OR NEXT STROKE -- Rule 3.2b

A player may concede his opponent's **next stroke** at any time, provided the opponent's ball is at rest. The opponent is considered to have *holed* out with his/her next *stroke*, and the ball may be removed by either *side*.

A player may concede a **match** at any time prior to the start or conclusion of that **match**.

A player may concede a **hole** at any time prior to the start or conclusion of that **hole**.

A concession may not be decline or withdrawn.

7. DOUBT AS TO PROCEDURE; DISPUTES AND CLAIMS -- Rule 3.2d

In Match Play (Rule 3.2), In match play, you must resolve any doubt or dispute as to procedure before you or your opponent plays from the next teeing ground after which the result of the hole stands. If a doubt or dispute arises that cannot be resolved, a player may make an immediate claim in accordance with Rule 20.1b. The *Committee* may consider a claim only if the player making the claim notifies his opponent (i) that he is making a claim, (ii) of the facts of the situation and (iii) that he wants a ruling. The claim must be made before any player in the match plays from the next teeing ground or, in the case of the last hole of the match, before all players in the match leave the putting green. Because of our match play format, no duly authorized representative of the *Committee* will normally be available within a reasonable time. Therefore, after a player makes a claim the match should be continued without delay and the claim reported to the *Committee* before the results of the match are posted.

Once the result of the match has been officially announced, a later claim may not be considered by the *Committee* unless it is satisfied that the opponent knew he/she was giving wrong information.

8. GENERAL PENALTY -- Rule 3.2d

The penalty for a breach of a *Rule* in match play is loss of hole except when otherwise provided.
